Keller ISD Athletics Extra-Curricular Code of Conduct 2023-24

Statement of Expectations:

The Keller Independent School District believes that being involved in extra-curricular activities is an honor. Participation in one or more of these activities should be considered a privilege, not a right. The following are expectations of our students:

- ✓ ☞ Obtaining a quality education is the primary reason for attending school.
- ✓ ☞ Compete at the highest level while promoting good sportsmanship and courteous behavior.
- ✓ ☞ Exhibit positive leadership.
- ✓ ☞ Develop and maintain high morals and ethical values.
- ✓ ☞ Exhibit conduct becoming of a young lady or gentleman.
- ✓ ☞ Exhibit respect to coaches, faculty, officials, opponents, and fellow students
- ✓ ☞ Develop and show school pride.

Standards for District Extra-Curricular Activities

Keller ISD students are expected to adhere to the *District Student Code of Conduct* as it applies to school-related and/or school-sponsored activities. Prior to participation in a Keller ISD Extra-Curricular activity, students and parents must also agree to abide by all guidelines outlined in the *Extra Curricular Code of Conduct*. Students involved in extra-curricular activities are expected to maintain high standards of ethical conduct. Extra-curricular participation is a privilege and not a right. Any misconduct that reflects negatively on the Keller Independent School District will fall under these Codes of Conduct. These guidelines are developed to deal with misconduct that occurs within the school's jurisdiction as well as outside of the school's jurisdiction, regardless of time or location. Disciplinary action or suspension will be mandated to students who are involved in any disciplinary infraction on or off campus, including, but not limited to, possession or use of drugs, improper use of prescription medicines, alcohol or tobacco, violent behavior, any inappropriate behavior including presence at functions where illegal substances are being consumed and other offenses that result in the violation of the district Student Code of Conduct, which in turn results into ISS (other than tardies or dress code), DAEP, Off Campus Suspension or expulsion. In the event that a student is responsible for multiple violations prior to the initial investigation, it may be determined that a higher-level consequence be deemed appropriate.

Administrative Procedures for the Keller ISD Code of Conduct

The Keller Independent School District has adopted the following administrative procedures to deal with violations of the *Extra-Curricular Code of Conduct*.

All violations will adhere to the following policies:

1. Confirmation that a violation has occurred via one of the following:
 - A. Report from a law enforcement agency
 - B. Personal disclosure by the participating student or parent/guardian
 - C. Observed behavior by a school employee
 - D. An investigation may be initiated if a KISD representative receives credible and specific information.

2. Notification by administrative designee to parents or legal guardian within 72 hours
3. Notification by activity sponsor to campus principal or assigned administrative designee within 72 hours.
4. Meeting with parent, student, and discipline panel, which consists of the sponsor/director/head coach and administrative designee.
5. The head coach and campus administration will determine the level of discipline that will be assigned. Copies of the meeting summary will be sent to the activity sponsor, campus principal, and district-level director.
6. **Appeals:** Contacting the appropriate campus principal will initiate the appeal process. This must be done in writing and within 72 hours of the conclusion of the initial discipline hearing.

Cumulative Offenses (specific to grades 7-8 and 9-12)

Disciplinary offenses committed in grades 7 and 8 are cumulative for a student's middle school career but will not carry on to high school. Any subsequent offenses that occur in high school will be cumulative during the student's high school career.

It is an exception to this rule if the district receives credible evidence indicating that a middle school student committed an act involving the elements of a Class A misdemeanor or a felony. In this case, the offenses will carry from grade 7 through the completion of grade 12.

Cumulative offenses prior to the initial investigation

If a student is responsible for multiple violations prior to the initial investigation, it may be determined that a higher-level consequence be appropriate.

Categories for Code of Conduct Offenses

Level 1 - When a student commits misconduct involving the elements of a Class B or C misdemeanor (class C traffic violations are not applicable) or misconduct that does not involve a law enforcement agency.

That committee will decide the appropriate consequences for the behavior at issue. The committee's decision is final and cannot be appealed. KELLER INDEPENDENT SCHOOL DISTRICT
DEPARTMENT OF FINE ARTS

**The Keller ISD Fine Arts Private Lesson Program
Parent Consent Form**

The Keller Independent School District has traditionally offered students the opportunity to study privately through an organized private lesson program through the Fine Arts Private Lesson Program. Private lessons are offered as a supplement to classroom instruction. The lessons are designed to utilize the characteristic literature of the instrument, voice, or audition, not to rehearse the literature which a student will be performing in the fine arts classroom. Participation in the supplemental lesson program is optional. All students will have access to supplemental lessons based upon the private instructor's availability of time.

STUDENT RESPONSIBILITY TO THE PRIVATE INSTRUCTOR

1. Be fully prepared for each lesson.
2. Supply the method books and other materials as required by private study.
3. Participate in all activities required as a condition of private study.
4. Notify the instructor within 24 hours if a lesson is to be canceled unless there is an emergency.

LESSON LOCATION AND SCHEDULING

Lessons will be taught at the school the student attends, except as arrangements needing modifications for summer lessons. Lessons will be scheduled by the private instructor and fine arts teacher. Lessons can be scheduled during the student's fine arts class, during lunch, and before/after school. No lessons will be scheduled during academic time. Should the instructor be unable to teach a lesson, missed lessons will be made-up. The fine arts teacher will aid the student by advising the private lesson instructor of concerts, programs, holidays, testing, etc., which would result in any interruption of the regular lesson schedule.

FINANCIAL IMPLICATIONS

Instructors will be paid according to their consecutive years of experience in Keller ISD. Lessons are twenty to thirty minutes in length, depending on the student's class period. Instructors will be paid directly by the student at the time of the lesson or monthly. Checks should be made payable to the private lesson instructor. Limited partial-lesson scholarships may be available. Check with the campus teacher for eligibility requirements.

Should you have specific questions about any part of the program, please contact the student's teacher.

Parent Information on Policies and Procedures

Please take a moment to read the information below with the detailed information about the program. If you have any further questions, your child's fine arts teacher will be happy to answer them.

All students who participate in the program must first complete an application form with the signature of a parent/guardian. These forms are available from either a music private instructor or KISD teacher.

Students are expected to notify music private instructors at least **24 hours** in advance of missing a scheduled lesson. The instructor and/or supervising director may make exceptions in the event of sudden illness or emergency. The music private instructor may provide makeup lessons subject to agreement with the students and parents.

The private instructors are allowed to set their own attendance policy as long as it adheres to the following:

- Excused absences will be made up or a credit given as determined by the private instructor. Excused absences will consist of, but not be limited to, school sponsored trips, sickness (with proper notice), school testing, school change of scheduling, circumstances out of student's control (fire alarm, school bus late, etc.)
- Unexcused absences will not be refunded or made up by the instructor. Unexcused absences will consist of, but not limited to, forgetting about lessons, absences (sickness, trips, etc.) without notification, or choosing to do another activity during scheduled lesson time.

Students may stop taking lessons at the end of any month. A student may be dropped by an instructor, with the approval of the supervising director, for excessive absences, failure to

make satisfactory progress or unacceptable behavior. Instructors are strongly urged to temporarily postpone student's lessons if they are behind in payments until that account is caught up to date.

Please complete this enrollment form and give to your fine arts teacher if you want to participate in the private lesson program.
