The Audition Process

*We will begin with ALL vocal auditions and then proceed to ALL dance auditions. *

VOCAL AUDITIONS

- Audition music needs to be a 16-32 measure ‘cut’ (apx. 45 seconds of music) from a musical theatre, pop, or jazz piece. Students will sing with a LIVE pianist. Students may also choose to sing a cappella or play a guitar/ukulele, however students must remember they are being judged on their PERFORMANCE (including eye contact) so it should not hinder them.
- **MS students:** turn in your sheet music to your director and they will send to CHS
- **HS students:** your clearly labeled sheet music is due to LeVie no later than Thursday April 18. If you are in voice lessons, your teachers are coordinating this turn-in this year.

DANCE AUDITIONS

- The audition dance links will be posted under the “Show Choir” tab on our website www.centernalsingers.org for reference by Sunday April 21st. VOC Dance Captains will lead an **optional** dance clinic to practice the audition dance Wednesday April 24 from 4:00-5:30 PM in the CHS Main Gym.

ATTIRE

- Students should dress in business casual attire for the singing portion. Students should wear appropriate dance clothes and shoes for the dance portion.
