

**Central High School Show Choir Audition Contract
2025-2026**

We, the auditioning student and their parent/guardian, understand by auditioning for a Central High School Show Choir that we are fully accepting the mandatory rehearsal schedule, monetary commitments, and academic eligibility requirements set forth by the show choir directors.

We understand that there is a \$100 audition fee/deposit due before or at the time of auditions. Should the student not be placed in a show choir, this \$100 fee may be applied to the 2025-2026 choir fee or refunded. The choice of choir fee or refund must be communicated in writing to the directors.

We understand that should the student be placed in a show choir, we are committing to the remainder of the show choir fee owed (\$500 total for VOC and \$400 total for Voltage) by the deadline set by the directors.

We are aware that exemplary behavior and model citizenship are basic expectations for show choir members. We understand that all performers must conduct themselves in accordance with the Keller ISD Extracurricular Code of Conduct.

If the directors have any concern regarding any of the above expectations with any auditioning student, this student and/or their families may be asked to provide additional information about any concern in question prior to auditions or after show choir placements.

Should any of the above expectations and requirements become an issue, immediate termination of membership may occur at the discretion of the directors, Central High School administration, and/or Keller ISD Fine Arts administration.

The Audition Contract will be signed digitally by both the auditioning student and parent/guardian.
